

FEATURES

The AU-L-HR-200 is a high-performance moving head light designed to deliver vibrant colors, powerful illumination, and dynamic effects for stages, concerts, clubs, and professional events. Combining rich RGBW lighting with smooth zoom and precise beam control, it creates stunning wash and beam effects that enhance any performance atmosphere. Its advanced optical design ensures sharp and vivid projections, while its flexible control modes make it easy to integrate into any lighting setup. Built with a durable and modern structure, the AU-L-HR-200 is an ideal solution for lighting professionals and event productions seeking powerful, versatile, and visually impressive lighting effects.

MAIN PARAMETER

Product Name	19-LED Zoom Moving Head Wash Light
Input Voltage	AC100–240V, 50/60Hz
Power	220W
Working Temperature	-30°C to 50°C
Control Mode	DMX512, Auto, Master/Slave, with RDM function
Connection Mode	DMX512 input/output, Power input/output
Features	Wash + Strobe + Pixel Control
Strobe Frequency	1–30Hz
Dimming	32-bit, 0–100% linear dimming
Product Size	44 × 22 × 34 cm
Net Weight	5.6 kg
Note	Product dimensions are manually measured; 1–3 cm error may exist
